

PET FIRST AID COURSE INFORMATION

Date:

This 10 hour course is either done in a one or two day format, so please check the website for further information.

Location:

Check website for Location details :) or email P.E.T.S (educate@petstrainingservices.com).

*Please let me know in advance if you need directions. If you are lost phone me before class start time at 250-352-9244(WAGG) or alternatively stop and ask someone for directions if class has started.

What to bring:

1. Wear comfortable clothing that you can layer on and off.
2. Bring writing paper and pen/pencil.
3. While we do provide a few breaks through out the day, we ask that you bring your own snacks and beverages if you need. There are a number of places to eat in the vicinity or feel free to pack a lunch for the day.
4. Dogs are welcome with prior consent from P.E.T.S. If you would like to bring your dog please let me know as there is a 6 dog maximum. Your dog must be calm, quiet, sociable with other dogs and people, and be willing to be handled patiently by multiple people for demonstrations. We reserve the right to send any dog home if s/he is felt to be disruptive or unsuitable for the dynamics of the class. While we cover cat first aid as well, we regret that cats are unable to come to class since the dogs become too excited :)

Cancellations:

We will return full payment if a cancellation is made up to one week prior to the course start date. Any cancellations after this point are subject to a \$25 administration fee. Cancellations made within 48 hours of course start date will not be refunded.
